

# BEDS FOR KIDS

No child should have to sleep on the floor. That's why One House at a Time started the Beds for Kids program and why we're determined to end child bedlessness in Greater Philadelphia.

Each child gets a new twin bed frame and mattress along with a bedtime bag filled with:

- stuffed animals
- books
- a pillow
- bed sheets
- blankets
- a pillowcase
- a toothbrush
- a mask
- hand sanitizer
- and more!

Do you see any of these items in your home you would like to donate to Beds for Kids?

One House at a Time (OHAAT) is a 501(c)(3) nonprofit organization. Its current focus is a program called Beds for Kids, which helps children and youth get the sleep they need to thrive. OHAAT volunteers deliver beds, bedding and bedtime necessities like books and toothbrushes directly to the homes of children and youth in need. To learn more, visit us at [www.ohaath.org](http://www.ohaath.org) or call 215-346-6427.
